NOTICE OF AVAILABILITY OF CHANGED TEXT AND OPPORTUNITY FOR COMMENT

On June 27, 2008, the California Insurance Commissioner issued a Notice of Proposed Action and Notice of Public Hearing, proposing to add Title 10, section 2359.8 to the California Code of Regulations. The draft regulations were proposed for the purpose of implementing portions of Division 2, Part 6, Chapter 1 of the California Insurance Code, entitled "Title Insurance." The Department held a public hearing on August 15, 2008, and received written public comments regarding the proposed regulations.

The purpose of this Notice is to notify interested members of the public about new proposed changes to the regulation text.

PUBLIC COMMENT INVITED:

The Commissioner has proposed additional changes to the text of the regulations. The public is invited to submit comments regarding the newly-revised changes, which are reflected in underline and strikeout in the attached. All interested parties are advised that the only comments that will be considered are those submitted on the changes in the attached regulation text.

The Commissioner believes the changes made to the regulation text are either nonsubstantial or solely grammatical in nature, or are sufficiently related to the original text that the public was adequately placed on notice that the change could result from the originally proposed regulatory action. Accordingly, pursuant to the provisions of California Government Code Section 11346.8(c), the Commissioner is soliciting written public comment on the changes. A copy of the changes, with the proposed changes clearly indicated, is available for public comment for at least 15 days.
